

Daisy Hill Netball Club

Player Grading & Team Selection Policy

1. Purpose of Grading

The purpose of grading at Daisy Hill Netball Club is to place players in teams that best support fair and balanced competition, player development, safety, and enjoyment. Grading ensures players are placed at an appropriate level based on ability, experience, and developmental needs.

2. Grading Attendance Requirements

All players, including returning players, are required to attend grading unless otherwise advised by the club. New players must attend grading to be considered for team placement. Failure to attend grading may result in placement at the discretion of the Grading Committee.

3. Grading Process

Grading sessions are conducted by accredited coaches and/or experienced selectors appointed by the Daisy Hill Netball Club. Players are assessed on core netball skills, game awareness, fitness, teamwork, attitude, and effort across drills and game-based activities.

4. Team Selection

Teams are selected using grading outcomes, prior season performance, and overall team balance. Final team selections are made by the Daisy Hill Netball Club Grading Committee, and all decisions are final. Requests to play with friends or specific players cannot be guaranteed.

5. Team Notification

Teams will be announced once grading has concluded and selections are finalised. Notification will be provided through official Daisy Hill Netball Club communication channels.

6. Appeals

Appeals will only be considered where there has been a genuine administrative error. Appeals based on personal preference, dissatisfaction with team placement, or friendship requests will not be accepted.

7. Registration Fees and Refund Policy

Registration fees must be paid in full to be eligible for grading and team selection. Once teams have been finalised and announced, no refunds will be issued. This includes withdrawals due to dissatisfaction with team placement, changes in personal circumstances, or requests to move teams or clubs. Refunds

Daisy Hill Netball Club

prior to team selection may be considered only in exceptional circumstances and at the discretion of the Daisy Hill Netball Club Committee.

8. Player and Parent Commitment

By registering and attending grading, players and parents acknowledge acceptance of this policy and commit to the full season once teams are announced. Respect for selectors, coaches, officials, volunteers, and fellow players is expected at all times.

9. Policy Review

This policy is reviewed annually by the Daisy Hill Netball Club Committee and may be updated as required.
